ATTN: Effa Manley

Gentlemen:

Please be advised that we represent, James Boyd, who was under contract with you for the year 1946. Mr. Boyd informs us that yesterday, July 4th, he was told by Abraham Manley that his services were no longer wanted by the club, and that he should discontinue his connections with it. Under the terms of the agreement, you are obligated to employ Mr Boyd for the playing year of 1946. He is ready, willing and able to fulfill his terms of the agreement and expects you to live up to your obligation.

You are in debt to him for the July payment, and unless same is received, suit will be instituted promptly, therefore.

Very Truly yours
